Marie Johnson motioned to approve the hiring recommendations as presented. The motion was seconded by Tracey Johnson and passed unanimously. All hiring approvals are subject to the completion and review of a background check.

Board Action Item (B3): Ralph Worthen reviewed the District Early Literacy Plan. This plan is a result of recent legislation and includes two required goals. The first goal is to increase the percentage of Kindergarten students that are proficient on the DIBELS composite. The second goal is to reduce the percentage of 2nd grade students that are scoring well below the benchmark on the DIBELS composite. He mentioned that school board approval is required. Marie Johnson made a motion to approve the plan as presented. Royd Hatt seconded the motion and it passed unanimously.

Board Action Item (B4): Superintendent Davis presented middle school cross country schedules for approval. Royd Hatt motioned to approve the schedules. Marie Johnson seconded the schedule and it was approved by unanimous vote.

Board Action Item (B5): Principal Kayce Fluckey mentioned that there is a state level cross county meet for middle schools. No qualifications are required to participate. The meet is held in Millcreek on Saturday, October 13th. She mentioned that she is the Principal representative for Cross Country and asked if it would be possible for Emery students to attend. She also recognized that this would create a precedent for other sports to travel outside of the 2-county region. President Johansen thanked Ms. Fluckey for the information she shared. She indicated that sponsoring attendance at this meet would be an exception to Board policy and it would be best to stay consistent with policy.

Board Action Item (B6): As a continuation of the discussion that began in the September board meeting, Mr. Black presented an updated extracurricular pay schedule for consideration. He explained that the proposed changes include the addition of a cross country position at Canyon View and San Rafael Middle Schools as well as updated amounts for certain positions at Green River High School. Royd Hatt motioned to approve the pay schedule. Tracey Johnson seconded the motion and it passed by unanimous vote.

Report Item (C1): Principal Brian Dawes thanked the Board of Education for their support and welcomed them to Ferron Elementary School. He commented on how positive the implementation of all-day Kindergarten has been. School priorities for this year include improvement in literacy and the Liberty Kids program. Students are being challenged to read different genres of books each month. For October, the genre is mystery books.

Principal Dawes briefly discussed Ferron Elementary SAGE results for the 2017-18 school year. The school has started a robotics club this year. Mr. Dawes indicated that he is excited to participate in STEM leadership academy this year. He mentioned how excited and proud he is of Stephanie Roper for her recent recognition as a finalist for State Teacher of the Year. He also thanked Laurel for her many years of support for Ferron Elementary and as a school board member. President Johansen thanked Mr. Dawes for his leadership in implementing PLC's and complimented all at Ferron Elementary for their collaborative work. She added that the test scores at Ferron Elementary are amazing.

Report Item (C2): Superintendent Larry Davis discussed the recent visit of State Superintendent Sydnee Dickson. Legislative representatives Albrecht and Watkins were also in attendance. He noted that Superintendent Dickson came to hear our story and to see our teachers and students in action. She was gracious in listening to and answering many questions. It was evident that she cares about students throughout Utah. Accompanied by Superintendent Davis, she visited several of our schools and was very complimentary of teachers and students. She has since sent Superintendent Davis a thank-you note that also included several questions and concerns she has committed to follow up on.

Mr. Davis shared that teacher Gina Gubler was recently selected for a scholarship through the National History Day organization. She will receive training in how to design effective history activities and will share that training with other educators. Principal John Hughes has been appointed to the State Principal’s Professional Network design committee and the STEM academy for administrators committee.

Superintendent Davis shared that he received a note of appreciation from South Sanpete School District for the assistance received from our transportation department when one of their buses broke down. He congratulated Ferron & Book Cliff elementary schools—both of which were recently recognized for student achievement in BURST reading. He also mentioned that the Juvenile Justice committee met and is discussing different programs and options.

President Johansen thanked Superintendent Davis for his report.

Public Comments (D): No public comments were made.
