

EMERY COUNTY SCHOOL DISTRICT
Employee Recognition Award
Program Description

The Emery County School District Employee Recognition Program has been established to recognize District employees whose accomplishments on the job have been outstanding and/or who have shown leadership in developing effective programs for the benefit of the students in the School District.

Anyone may nominate an employee for recognition - administrators, teachers, support staff, parents, students, community members, etc. Nominations should be submitted to the Superintendent at P.O. Box 120, Huntington, Utah 84528. Nomination forms will be available in each school office, maintenance department, transportation department, and at the School District Office. Nominations will be reviewed by District Supervisors who will recommend to the board the names of those to be recognized at a regularly scheduled board meeting. When more nominations are received and selected than can be recognized in one month, nominations may be held for consideration at a later date.

It is recommended that nominations be made confidentially. If an employee is selected for recognition, the employee to be recognized and the person making the nomination, will be notified of the date and time of the Board Meeting where the award will be presented.

It is not only the intent of this employee recognition program to recognize outstanding work by employees, but also to bring attention to the outstanding programs being implemented for the education and benefit of the students in the Emery County School District.
